Signature of Borrower ____________________ Date __________

In this Credit Agreement, the words "I", "me", "my", and "mine" mean the person who signed this Credit Agreement as Borrower. The words "you", "your", "yours", and "Lender" mean Bank of America, National Association, its successors and assigns, and any other holder of this Credit Agreement. "School" means the school named at the top of the first page of this Credit Agreement. The "servicer" means the Lender or any entity it designates to service my loan.

A. PROMISE TO PAY: I promise to pay to you the Loan Amount Requested shown on the first page of this Credit Agreement, to the extent it is advanced to me or paid on my behalf, and any Loan Origination Fee added to my loan (see Paragraph F) (together, the "Principal Sum"), interest on such Principal Sum, interest on any unpaid interest added to the Principal Sum and late fees (see Paragraph E.6).

B. IMPORTANT – READ THIS CAREFULLY:

1. When you receive my signed Credit Agreement, you are not agreeing to lend me money. If you decide to make a loan to me, you will electronically transfer the loan funds to the School for me, mail a loan check to the School for me, or mail a loan check directly to me. You have the right to not make a loan or to lend an amount less than the Loan Amount Requested. I agree to accept an amount less than the Loan Amount Requested and to repay that portion of the Loan Amount Requested that you actually lend to me along with interest and all other amounts I owe (see Paragraph A). You have the right to disburse my loan through an agent. At your option, you may also make any loan check co-payable to me and the School.

2. **HOW I AGREE TO THE TERMS OF THIS LOAN.** By signing this Credit Agreement, and submitting it to the Lender, I am requesting that you make this loan to me in an amount equal to the Loan Amount Requested plus any Loan Origination Fee described in Paragraph F of this Credit Agreement. If you approve this request and agree to make this loan, you will notify me in writing and provide me with a Disclosure Statement, as required by law, at the time the loan proceeds are disbursed. The Disclosure Statement is incorporated herein by reference and made a part hereof. The Disclosure Statement will tell me the amount of the loan which you have approved, the amount of the Loan Origination Fee, and other important information. I will let you know that I agree to the terms of the loan as set forth in this Credit Agreement and in the Disclosure Statement by doing either of the following: (a) endorsing or depositing the check that disburses the loan proceeds; or (b) using or allowing the loan proceeds to be used on my behalf without objection. Upon receipt of the Disclosure Statement, I will review the Disclosure Statement and notify you in writing if I have any questions. **If I am not satisfied with the terms of my loan as disclosed in the Disclosure Statement, I may cancel my loan. To cancel my loan, I will give you a written cancellation notice within ten (10) days after I receive the Disclosure Statement.** If loan proceeds have been disbursed, I agree that I will immediately return the loan proceeds to you, will not endorse any check which disburses the loan proceeds and will instruct the School to return any loan proceeds to you. If I give notice of cancellation but do not comply with the requirements of this Paragraph B.2, this Credit Agreement will not be canceled and I will be in default of this Credit Agreement. (See Paragraph I.)

C. DEFINITIONS:

1. "Disbursement Date" means the date or dates on which you lend money to me in consideration for my Credit Agreement and will be the date(s) shown on any loan check you prepare or the date(s) you initiate any electronic funds transfer.

2. The "Deferment Period" will begin on the Disbursement Date and end on the Deferment End Date.

3. "Deferment End Date" means the date specified below for the applicable loan program (the applicable loan program is stated on the first page of this Credit Agreement).

(a) ***Undergraduate Alternative Loan Program:*** If I have elected the "Immediate Repayment" option (the applicable repayment option is stated on the first page of this Credit Agreement), there is no Deferment Period, and my first payment will be 30-60 days after the disbursement of my loan. If I have elected the "Interest Only" repayment option (the applicable repayment option is stated on the first page of this Credit Agreement), then interest payments will begin 30-60 days after the disbursement of my loan, the "Deferment End Date" will be the date the Student first graduates or ceases to be enrolled at least half-time in the School (or another school participating in this loan program), and principal and interest payments will begin 30-60 days after that date. In any event, if I have elected the "Interest Only" repayment option, the Deferment End Date will be no more than 5 years after the Disbursement Date. If I have elected the "Full Deferral" repayment option (the applicable repayment option is stated on the first page of this Credit Agreement), then the "Deferment End Date" will be 180 days after the date the Student first graduates or ceases to be enrolled at least half-time in the School (or another school participating in this Loan Program). In any event, if I have elected the "Full Deferral" repayment option, the Deferment End Date will be no more than 5½ years after the Disbursement Date. For borrowers who chose the "Interest Only" or "Full Deferral" repayment options, joint and serial (associates to bachelors) degree recipients may continue in-school deferment while completing their second degree, up to the 5-year or 5½-year maximum.

(b) ***Graduate Professional Education Loan Program:*** The Deferment End Date will be 180 days after the Student graduates or ceases for any other reason to be enrolled at least half-time in the School (or another school participating in this Loan Program), but no more than 4½ years after the Disbursement Date; provided, however, that if the Student begins a medical residency or internship during the Deferment Period, then the Deferment Period will end 180 days after the day the residency or internship ends, but no more than 8½ years after the Disbursement Date.

4. The "Repayment Period" begins the day after the Deferment Period ends. If there is no Deferment Period for my loan, the Repayment Period will begin when my loan is fully disbursed. The Repayment Period is 20 years unless monthly payments equal to the minimum monthly payment amount (See Paragraph E.2) will repay all amounts owed in less than 20 years, in which case the Repayment Period will be the number of months necessary to pay in full the amount I owe at the minimum payment.

D. INTEREST:

1. *Accrual* – Beginning on the Disbursement Date, interest will be calculated at the Variable Rate (Paragraph D.2) and charged on the Principal Sum, and on any unpaid interest later added to the Principal Sum according to Paragraph D.3. During the Repayment Period, interest will be calculated at the Variable Rate and charged on the outstanding balance of this Credit Agreement until all amounts are paid in full. Interest will be calculated on a daily simple interest basis. The daily interest rate will be equal to the annual interest rate in effect on that day, divided by the number of days in that calendar year.

2. Variable Rate – The "Variable Rate" is equal to the Current Index plus a Margin. The Margins for both the Deferment Period and the Repayment Period are shown on the first page of this Credit Agreement. In no event will the Variable Rate exceed the maximum interest rate allowed by the laws of the State of California. The Variable Rate will change monthly on the first day of each calendar month (the "Change Date(s)") if the Current Index changes. The "Current Index" for any calendar month (or for any shorter period beginning on the Disbursement Date and ending on the last day of a calendar month) is based on the one-month London Interbank Offered Rate ("LIBOR") as published in the "Money Rates" section of *The Wall Street Journal* (Eastern Edition). The index for each calendar month (or for any shorter period beginning on a Disbursement Date and ending on the last day of a calendar month) will equal the LIBOR rate published on the first business day of the immediately preceding calendar month, rounded to the nearest one-hundredth of one percent (0.01%). If *The Wall Street Journal* (Eastern Edition) is not published or the Current Index is not given on that date, then the Current Index will be determined by using the immediately preceding published Current Index. If the Current Index is no longer available, you will choose a comparable index.

3. Capitalization – If I have elected the "Full Deferral" repayment option (the applicable repayment option is stated on the first page of this Credit Agreement), I am not obligated to make any payments until the loan enters the Repayment Period and you will add unpaid accrued interest to the principal loan balance as of the last day of each calendar quarter (the last day of December, March, June and September) during the Deferment Period and as of the last day of my Deferment Period. Interest that is added to principal is called "Capitalized" interest. Capitalized interest will be treated as principal. In addition, if I am in default (see Paragraph I) and the loan has been sold to TERI (see Paragraph L.12), TERI may capitalize accrued and unpaid interest as of the date it purchases my loan. I understand that you will also add all accrued and unpaid interest to the principal balance of my loan at the end of any forbearance period (see Paragraph H).

E. TERMS OF REPAYMENT:

1. Deferment Period – If I have elected either the "Interest Only" repayment option or the "Full Deferral" repayment option (the applicable repayment option is stated on the first page of this Credit Agreement), you may, or, if required by applicable law, will send me statements during the Deferment Period (showing the total outstanding principal balance of my loan and the interest that has accrued on my loan). Statements will be sent to the address shown on your records. If I have elected the "Interest Only" repayment option, I agree to make payments each month during the Deferment Period equal to the accrued interest on the outstanding balance of this Credit Agreement. If I have elected the "Full Deferral" repayment option I may, but am not required to make payments during the Deferment Period. You will add any interest that I do not pay during the Deferment Period to the principal balance, as described in Paragraph D.3.

2. Repayment Period – The amount of my monthly payment ("Monthly Payment Amount") will be established based on the rules in this Credit Agreement when my Repayment Period begins. During the Repayment Period, you will send me monthly statements that show the Monthly Payment Amount and the payment due dates, and I will pay the Monthly Payment Amount shown on my monthly statement, which amount will in no event be less than $25 or the unpaid balance, whichever is less. I understand that the Monthly Payment Amount is due each month. I may pay more than my Monthly Payment Amount at any time without penalty or charge. If my loan is in paid-ahead status, I may, but will not be required to make monthly payments. Even if I do not receive monthly statements, I will make consecutive monthly payments in amounts at least equal to the Monthly Payment Amount by the applicable payment due dates until I have paid all of the principal and interest and any other charges I may owe under this Credit Agreement.

3. Repayment Terms – My Monthly Payment Amount will be calculated as of the day the Repayment Period begins ("Repayment Date"). It will be recalculated (a) once each year prior to the anniversary of the Repayment Date, (b) if the Variable Rate changes between anniversaries of the Repayment Date to the extent that the Monthly Payment Amount would not pay in full the accrued monthly interest on my loan, (c) following any subsequent deferment or forbearance period or (d) following any request by the Borrower to the servicer to change the monthly payment due date (each of which events is a new "Repayment Date"). As of any Repayment Date, my Monthly Payment Amount will be recalculated. My new Monthly Payment Amount will be disclosed to me by the servicer. The new Monthly Payment Amount will equal the amount necessary to pay in full, over the number of months remaining in the Repayment Period, the amount I owe in equal monthly installments of principal and interest at the Variable Rate in effect at the time of the calculation. I understand that this may result in a reduction or increase in my monthly payment as calculated as of each Repayment Date. I understand that during the Repayment Period (and, if I have elected the "Interest Only" repayment option, during the period of interest payments) the servicer may change the monthly payment due date of future payments to a later date for the convenience of the servicer in processing payments or in order to coordinate the due dates of all of my loans processed by the servicer.

4. Amounts Owing at the End of the Repayment Period – Since interest accrues daily upon the unpaid principal balance of my loan, if I make payments after my payment due dates, I may owe additional interest. If I have not paid my late fees, I will also owe additional amounts for those late fees. In such cases you will increase the amount of my last monthly payment to the amount necessary to repay my loan in full.

5. Payments – Payments will be applied first to late fees, other fees and charges, accrued interest, and the remainder to principal.

6. Other Charges - If any part of a monthly payment remains unpaid for a period of more than 15 days after the payment due date, I will pay a late fee not exceeding $5.00 or 5% of the overdue payment amount, whichever is less. To the extent permitted by law, I agree to pay you all amounts you incur in enforcing the terms of this Credit Agreement, including reasonable collection agency and attorney's fees and court costs and other collection costs.

F. LOAN ORIGINATION FEE: If you charge me, I will pay you a Loan Origination Fee at the time my loan is disbursed. The dollar amount of any Loan Origination Fee will be determined by multiplying the Principal Sum times the Loan Origination Fee Percentage shown on the first page of this Credit Agreement. The percentage would be higher if computed only on the amount advanced rather than on the entire Principal Sum (Loan Origination Fee plus the loan amount advanced). For example, a nominal Loan Origination Fee of 6.5% on the entire principal amount would equal 6.9519% of the amount advanced. The Loan Origination Fee I will pay, if any, will be shown on my Disclosure Statement and included with the Principal Sum. To the extent permitted by law, and unless I timely cancel this Credit Agreement (see Paragraph B.2), I will not be entitled to a refund of any Loan Origination Fee after my loan has been disbursed.

G. RIGHT TO PREPAY: I have the right to prepay all or any part of my loan at any time without penalty.

H. FORBEARANCE: If I am unable to repay my loan in accordance with the terms established under this Credit Agreement because of a hardship such as financial or medical difficulty, I may request that you modify these terms. I understand that such modification would be at your option, and, to the extent not prohibited by applicable law, you may charge me a fee equal to two percent 2% of the outstanding principal balance if you agree to modify the terms of this Credit Agreement. I understand that I will remain responsible for all interest accruing during any period of forbearance and that you will add any 2% fee described in the previous sentence and all interest that I do not pay during any forbearance period to the principal balance, as described in Paragraph D.3.

I. WHOLE LOAN DUE: To the extent permitted by applicable law, I will be in default and you have the right to give me notice that the whole outstanding principal balance, accrued interest, and all other amounts payable to you under the terms of this Credit Agreement, are due and payable at once (subject to any applicable law which may give me a right to cure my default) if: (1) I fail to make any monthly payment to you when due, (2) I die, (3) I break any of my other promises in this Credit Agreement, (4) any bankruptcy proceeding is begun by or against me, or I assign any of my assets for the benefit of my creditors, or (5) I make any false written statement in applying for this loan or any other loan or at any time during the Deferment or Repayment Periods. If I default, I will be required to pay interest on this loan accruing after default. The interest rate after default will be subject to adjustment in the same manner as before default. Upon default, you may also capitalize any interest and fees (i.e., add accrued and unpaid interest and fees to the principal balance), and increase the Margin used to compute the Variable Rate by two percentage points (2%).

J. NOTICES:

1. I will send written notice to you, any subsequent holder of this Credit Agreement, and the servicer within ten days after any change in my name, address, or enrollment status (for example, if the Borrower withdraws from the School or transfers to another school participating in this loan program).

2. Any notice required to be given to me by you will be effective when mailed by first class mail to the latest address you have for me.

K. INFORMATION:

1. I must update the information I provided to you whenever you ask me to do so.

2. I authorize you from time to time to request and receive from others credit related information about me (and about my spouse if I live in a community property state).

3. <u>CREDIT BUREAU REPORTING</u>

You may report information about my account to credit bureaus. Late payments, missed payments, or other defaults in my account may be reflected in my credit report.

I understand that the reporting of information about my account to credit bureaus may adversely affect my credit rating and my ability to obtain other credit. You may also report the status of my loan and my payment history, including information about a late payment, missed payment or other defaults in accordance with applicable law.

L. ADDITIONAL AGREEMENTS:

1. I understand that you are located in California and that this Credit Agreement will be entered into in the same state. CONSEQUENTLY, THE PROVISIONS OF THIS CREDIT AGREEMENT WILL BE GOVERNED BY FEDERAL LAW AND THE LAWS OF THE STATE OF CALIFORNIA, WITHOUT REGARD TO CONFLICT OF LAW RULES.

2. The proceeds of this loan will be used only for my educational expenses at the School.

3. My responsibility for paying the loan evidenced by this Credit Agreement is unaffected by the liability of any other person to me or by your failure to notify me that a required payment has not been made. Without losing any of your rights under this Credit Agreement you may accept (a) late payments, (b) partial payments or (c) payments marked "paid in full" or with other restrictions. You may delay, fail to exercise, or waive any of your rights on any occasion without losing your entitlement to exercise the right at any future time, or on any future occasion. You will not be obligated to make any demand upon me, send me any notice, present this Credit Agreement to me for payment or make protest of non-payment to me before suing to collect on this Credit Agreement if I am in default, and to the extent permitted by applicable law, I hereby waive any right I might otherwise have to require such actions. I WILL NOT SEND YOU PAYMENTS MARKED "PAID IN FULL", "WITHOUT RECOURSE" OR WITH OTHER SIMILAR LANGUAGE UNLESS THOSE PAYMENTS ARE MARKED FOR SPECIAL HANDLING AND SENT TO THE ADDRESS IDENTIFIED FOR SUCH PAYMENTS ON MY BILLING STATEMENT, OR TO SUCH OTHER ADDRESS AS I MAY BE GIVEN IN THE FUTURE.

4. I may not assign this Credit Agreement or any of its benefits or obligations. You may assign this Credit Agreement at any time.

5. The terms and conditions set forth in this Credit Agreement and the Disclosure Statement constitute the entire agreement between you and me.

6. If any provision of this Credit Agreement is held invalid or unenforceable, that provision shall be considered omitted from this Credit Agreement without affecting the validity or enforceability of the remainder of this Credit Agreement.

7. A provision of this Credit Agreement may only be modified if jointly agreed upon in writing by you and me. Any modification will not affect the validity or enforceability of the remainder of this Credit Agreement.

8. To the extent permitted by law, you have the right to apply money from any of my deposit account(s) with you to pay all or a portion of any amount overdue under this Credit Agreement. I hereby authorize you to obtain from the School all amounts which may be owed to me by the School, including any refund due to overpayment, early termination of enrollment, or otherwise.

9. All dollar amounts stated in this Credit Agreement are in United States dollars. I will make all payments in United States Dollars with no deduction for currency exchange.

10. If I fail to complete the education program paid for with this loan, I am not relieved of any obligation within or pursuant to this Credit Agreement.

11. **I understand and agree that this loan is an education loan and certify that it will be used only for costs of attendance at the School. I acknowledge that the requested loan is subject to the limitations on dischargeability in bankruptcy contained in Section 523 (a) (8) of the United States Bankruptcy Code because either or both of the following apply: (a) this loan was made pursuant to a program funded in whole or in part by The Education Resources Institute, Inc. ("TERI"), a non-profit institution, or (b) this is a qualified education loan as defined in the Internal Revenue Code. This means that if, in the event of bankruptcy, my other debts are discharged, I will probably still have to pay this loan in full.**

12. I authorize any school that I may attend to release to you, and any other persons designated by you, any requested information pertinent to this loan (e.g., enrollment status, prior loan history, and current address).

13. I authorize the Lender, any subsequent holder of this Credit Agreement, and their agents (including TERI) to: (1) advise the School of the status of my application and my loan, (2) respond to inquiries from prior or subsequent lenders or holders with respect to my Credit Agreement and related documents, (3) release information and make inquiries to the persons I have given you as references, for the purposes of learning my current address and telephone number, (4) check my credit and employment history and to answer questions about their credit experience with me, and (5) retain for use in any future transaction with the Borrower all information (including status information and non-public personal information) of the Borrower provided in connection with this Credit Agreement.

14. Waiver by Lender: You waive (give up) any right to claim a security interest in any property to secure this Credit Agreement. This does not affect any right to offset as a matter of law.

15. If I fax my signature(s) on the first page of this Credit Agreement back to you and keep the copy I signed, I understand that under federal law the fax you receive will be an original of the first page of this Credit Agreement. You and I agree that all copies of this Credit Agreement (including the fax you receive and the copy I retain), taken together, shall constitute a single original agreement.

16. If I elect to sign electronically an electronic record of this Credit Agreement, then the following will apply as between Lender and me: (a) Lender will keep a non-modifiable electronic record of this document and provide a copy to me upon request, (b) I can and have downloaded and/or printed a copy of this document for my records or notified the Lender to mail me a copy of this document, and (c) the Lender's electronic record of this document and any printout from that record shall be an original for all purposes, including any lawsuit to collect amounts that I owe.

M. DISCLOSURE NOTICES

ALL APPLICANTS:
IMPORTANT FEDERAL LAW NOTICE—

Important Information about procedures for opening a new account:
To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you:
When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

CALIFORNIA RESIDENTS: I have the right to prohibit the use of information contained in my credit file in connection with transactions not initiated by me. I may exercise this right by notifying the consumer credit reporting agency. A married applicant may apply for a separate account. If you take any adverse action as defined by Section 1785.3 of the California Civil Code and the adverse action is based, in whole or in part, on any information contained in a consumer credit report, I have the right to obtain within 60 days a free copy of my consumer credit report from the consumer reporting agency who furnished you my consumer credit report and from any other consumer credit reporting agency which compiles and maintains files on consumers on a nationwide basis. I have the right as described by Section 1785.16 of the California Civil Code to dispute the accuracy or completeness of any information in a consumer credit report furnished by the consumer credit reporting agency.

CALIFORNIA AND UTAH RESIDENTS: As required by California and Utah law, I am hereby notified that a negative credit report reflecting on my credit record may be submitted to a credit reporting agency if I fail to fulfill the terms of my credit obligations.

IOWA, KANSAS AND NEBRASKA RESIDENTS (For purposes of the following notice, the word "you" refers to the Borrower, not the Lender): NOTICE TO CONSUMER. This is a consumer credit transaction. 1. DO NOT SIGN THIS CREDIT AGREEMENT BEFORE YOU READ THIS CREDIT AGREEMENT. 2. YOU ARE ENTITLED TO A COPY OF THIS CREDIT AGREEMENT. 3. YOU MAY PREPAY THE UNPAID BALANCE AT ANY TIME WITHOUT PENALTY AND MAY BE ENTITLED TO A REFUND OF UNEARNED CHARGES IN ACCORDANCE WITH LAW.

MARYLAND RESIDENTS: In Paragraph L.1, Lender and I have agreed that this Credit Agreement is governed by federal law and the laws of CALIFORNIA, without regard to conflict of laws rules; if any court should nevertheless determine that this Credit Agreement is subject to Maryland laws concerning credit, then only to the extent that Maryland law applies, Lender and I agree and elect that this loan is made under and governed by Subtitle 10, Credit Grantor Closed End Credit Provisions, of Title 12 of the Commercial Law Article of the Annotated Code of Maryland, except as preempted by federal law.

MISSOURI RESIDENTS: Oral agreements or commitments to loan money, extend credit or to forbear from enforcing repayment of a debt including promises to extend or renew such debt are not enforceable.

To protect me (borrower(s)) and you (creditor) from misunderstanding or disappointment, any agreements we reach covering such matters are contained in this writing, which is the complete and exclusive statement of the agreement between us, except as we may later agree in writing to modify it.

NEVADA RESIDENTS: This is a loan for study.

NEW JERSEY RESIDENTS: The section headings of this Credit Agreement are a table of contents and not contract terms. Portions of this Credit Agreement with references to actions taken to the extent of applicable law apply to acts or practices that New Jersey law permits or requires. In this Credit Agreement, acts or practices (i) by you which are or may be permitted by "applicable law" are permitted by New Jersey law, and (ii) that may or will be taken by you unless prohibited by "applicable law" are permitted by New Jersey law.

NEW YORK, RHODE ISLAND AND VERMONT RESIDENTS: A consumer report (credit report) may be obtained from a consumer-reporting agency (credit bureau) in connection with this loan. If I request (1) I will be informed whether or not consumer reports were obtained, and (2) if reports were obtained, I will be informed of the names and addresses of the credit bureaus that furnished the reports. If you agree to make this loan to me, a consumer credit report may be requested or used in connection with renewals or extensions of any credit for which I have applied, reviewing my loan, taking collection action on my loan, or legitimate purposes associated with my loan.

OHIO RESIDENTS: The Ohio laws against discrimination require that all creditors make credit equally available to all credit worthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

WISCONSIN RESIDENTS: For married Wisconsin residents, my signature on this Credit Agreement confirms that this loan obligation is being incurred in the interest of my marriage or family. No provision of any marital property agreement (pre-marital agreement), unilateral statement under Section 766.59 or court decree under Section 766.70 adversely affects the interest of the Lender unless the Lender, prior to the time that the loan is approved, is furnished with a copy of the agreement, statement, or decree or has actual knowledge of the adverse provision when the obligation to the Lender is incurred. If the loan for which I am applying is granted, my spouse will also receive notification that credit has been extended to me.

N. BORROWER'S CERTIFICATION: I declare under penalty of perjury under the laws of the United States of America that the following is true and correct. I certify that all information I provided to you in connection with this loan, including without limitation, the information contained in this Credit Agreement, is true, complete and correct to the best of my knowledge and belief and is made in good faith. I understand that I am responsible for repaying immediately any funds that I receive which are not to be used or are not used for educational expenses related to attendance at the School for the academic period stated. I certify that I am not now in default on a Federal Perkins Loan, a Federal Stafford Loan, a Federally Insured Student Loan, a Federal Supplemental Loan for Students (SLS), a Federal PLUS Loan, an Income Contingent Loan, a Federal Consolidation Loan, a Federal Ford Direct Loan, or any other education loan received for attendance at any school. The legal age for entering into contracts is 18 years of age in every State in the United States except the following: Alabama and Nebraska (19 years old), and Mississippi and Puerto Rico (21 years old). I certify that I meet these state age requirements.

By signing this Credit Agreement, to the extent permitted by applicable law, I hereby ratify, confirm, and acknowledge the validity of all prior credit agreements I have signed with the Lender for this loan program. I intend and agree that all such credit agreements shall be binding on me. The consideration for this affirmation is the new credit extended by the Lender to me under this Credit Agreement.

Lender Name and Address:

BANK OF AMERICA, N.A

600 WILSHIRE BLVD, 4TH FLOOR

LOS ANGELES, CA 90017

This disclosure statement relates to your Loan Note disbursed on August 13, 2007

Because your Loan is either being disbursed or entering repayment, or the repayment terms are being modified, the following information about your Loan is being given to you.

ANNUAL PERCENTAGE RATE	**FINANCE CHARGE**	Amount Financed	Total of Payments
The cost of your credit as a yearly rate.	The dollar amount the credit will cost you.	The amount of credit provided to you or on your behalf.	The amount you will have paid after you have made all payments scheduled.
14.236 %	$ 74,942.00	$ 19,450.00	$ 94,392.00

Your payment schedule will be:

Number of Payments	Amount of Payments	When Payments are due
240	$ 393.30	On the 15th day of each month beginning 1/2011

VARIABLE RATE: The Annual Percentage Rate, which is based on an index plus a margin, may increase during the term of the loan if the index rate increases. The index is (check one):

☐ **Prime Rate Index Adjusted Monthly** - The highest U.S. bank prime rate published in the "Money Rates" section of The Wall Street Journal (Eastern Edition) on the last business day of each calendar month.

☐ **Prime Rate Index Adjusted Quarterly** - The highest U.S. bank prime rate published in the "Money Rates" section of The Wall Street Journal (Eastern Edition) on the last business day of each calendar quarter.

☐ **LIBOR Index Adjusted Quarterly** - The average of the one-month London Interbank Offered Rates published in the "Money Rates" section of The Wall Street Journal (Eastern Edition) on the first business day of each of the three (3) calendar months immediately preceding the first day of each calendar quarter.

☒ **LIBOR Index Adjusted Monthly** - The one-month London Interbank Offered Rate published in the "Money Rates" section of The Wall Street Journal (Eastern Edition) on the first business day of the preceding calendar month.

Any increase in the index and the Annual Percentage Rate which occurs while principal payments are deferred will increase the amount of any current and all future payments. Any increase in the index and the Annual Percentage Rate which occurs while principal and interest payments are deferred will increase the amount of all future payments. Any increase in the index and the Annual Percentage Rate which occurs after you have begun to make principal and interest payments on your loan will increase the amount of your future principal and interest payments beginning with your next annual payment adjustment date. For example, assume you obtain a loan in your junior year, in the amount of $10,000, at an interest rate of 11%, and you defer principal and interest payments until after your graduation, and the repayment term of the loan is 20 years. If the interest rate increased to 12% on January 1st of your senior year, the interest which accrues while principal and interest payments are deferred will increase by $91.01, and your monthly principal and interest payments would increase by $9.37.

LATE CHARGES: If a payment is more than 15 days late, you may be charged $5.00 or 5% of the payment, whichever is less. If you default, Lender (or any subsequent holder of your Loan Note) may increase the margin used to compute the Annual Percentage Rate by two percentage points (2%).

PREPAYMENT: If you pay off early, you will not have to pay a penalty.

Estimates: All numerical disclosures except the late payment disclosure are estimates.

See your contract documents for any additional information about non-payment, default, any required repayment in full before the scheduled date, any security interest and prepayment refunds and penalties.

3. **California** (1,472 loans) - **Yes, SOL begins to run on each installment.**

   a. Statute – 4 years- Cal. Civ. Proc. Code § 337(1).

      Within four years: 1. An action upon any contract, obligation or liability founded upon an instrument in writing, except as provided in Section 336a of this code; provided, that the time within which any action for a money judgment for the balance due upon an obligation for the payment of which a deed of trust or mortgage with power of sale upon real property or any interest therein was given as security, following the exercise of the power of sale in such deed of trust or mortgage, may be brought shall not extend beyond three months after the time of sale under such deed of trust or mortgage.

   b. Case Law

      i. *Bird v. Real Time Resolutions, Inc.*, 183 F. Supp. 3d 1058 (N.D. Cal. 2016)
         Under California law, when an installment contract contains an acceleration clause, the statute of limitations for the creditor's action attacking the borrower's performance of the contract does not begin to run on installments not yet due until the creditor, by some affirmative act, manifests his election to declare the entire sum due.

      ii. *White v. Moriarty* (App. 1 Dist. 1993) 19 Cal.Rptr.2d 200, 15 Cal.App.4th 1290, rehearing denied, review denied.

          Four-year statute of limitations began to run against each installment on note as it became due.

      iii. *Stewart v. Claudius* (App. 1 Dist. 1937) 19 Cal.App.2d 349, 65 P.2d 933.

           Unless it is shown that creditor has taken some affirmative action to invoke benefit of acceleration clause, statute of limitations begins to run not from date of breach of objection, but from date on which future payment falls due.
