Your account has an annual membership fee of \$50.00 which will appear on your next billing statement. Variable rates vary with the market based on the U.S. Prime Rate. The variable Penalty APR (which is based on your creditworthiness) may apply if you make a late payment or a payment that is returned. If it is applied, it will stop applying to existing balances if you make the next six consecutive minimum payments when due. However, it may apply to new transactions indefinitely. The foreign purchase transaction fee is 3% of each transaction after its conversion into US dollars. See back for important information.
